Mark, actually I am telling the truth, as you wish, you won't hear from me any longer. Nothing entertains me for long, not even you. I made the effort to resolve the matter one last time so I could rid myself of the domain, but you refused to even act cordial for five minutes while I could transfer the blog domain to you. Nevertheless, I received this interesting email,

(George THURNER w8fwg@hotmail.com Jul 30 (23 hours ago)

I'd like the blog kb9rqz at blogspot also like to get a hold of the kd8ctl and gavmorgan at blogspot as I know both of them and certainly I am like most of the members of the CCars tired of the lies that are spread by various folks about Gavreilah and Mark.)

I was going to respond, but I am sure it is a fake. I have become aware that there are a few new players who are entertained by our little fued and they are trying their hardest to fuel the flames with forgeries of me on here, Nim, and RRAP, which you help their efforts by reacting to the forgeries. In turn, RRAP and RRAM is a mess. In regard to the other blogs mentioned, I have never had any affiliation with any other blogs but my own and kb9rqz.blogspot.com, (which I did not steal because you lost it due to your own bumbling, but your are not man enough to admit). The blogs using your wife's name and/or call and the i-punce blog belong to someone else, who, I do not know. Don't bother to respond I will not be visiting your blog to read it. I was going to relaease the domain tonight but you were not around on nim to get it, so I had no choice but to lock it down. Good luck with Roger, he is as nutty as you, you two deserve each other.

73 Dloyd

One day I will work you on the bands, and you will be polite to "Dloyd" whether you want to or not...Ha Ha!

You wouldn't know an on topic posting if it
came up under the covers and bit you on
your fat pasty asscheeks at 3AM. Oh, if you're
looking for some late night radio fun, check out a new
bible-beaters net that's been appearing nightly
on 3.944 LSB after 10:00 Central time. Better than
the great libery net with it's collection of sorted loonies.

Poor Mark. Flooding the newesgroups isn't enough for him, is it? Apparently he's still so obsessed over the blog sites that he cried to another Ham about it. These blogs are obviously bothering Mark a great deal more than he admits.

Mork plays the victim card for sympathy. He used it in this forum for a while, and got the likes of Brian Burke and Len Anderson to stick up for him (for a while, at least.) They seem conspicuously absent as of late from the ranks of Mork Defenders.

Most Mork Defenders eventally realize he's mentally ill and/or retarded and try to distance themselves from him shortly thereafter.

Just read in Nimbusters that the blog, www.kd8ctl.blogspot.com, is open for grabs. According to the author of the blog, the unsername and password are coded somewhere on the blog and that if someone can figure them out, the blog is theirs for the taking.
This blog is one that uses Mark's wife's call, so maybe Gav, KD8CTL, would like to give it a try.

Roger. Hint. Look at the Source Code.

I'd like the blog kb9rqz at blogspot also like to get a hold of the kd8ctl and gavmorgan at blogspot as I know both of them and certainly I am like most of the members of the CCars tired of the lies that are spread by various folks about Gavreilah and Mark

Mr. Thurner,

I was going to release the blog www.kb9rqz.blogspot.com to you but I haven't had time to do so. However, in the meantime your friend, Mr. Morgan, once again could not contain himself and had to go on another one of his many slanderous tirades against me. I asked him to act cordial and to act like an adult but he refuses. Therefore, I will not be releasing the domain name, but instead have decided to let it set idle for as long as blogger will maintain an inactive blog on their servers. In regard to the other blogs you have mentioned, I have no affiliation with these blogs, I have told Mr. Morgan several times that I have nothing to do with those blogs but he refuses to believe the truth, I do not know who owns them. Furthermore, you mentioned that members of CCars are tired of the "lies" spread by various folks about Mr. and Mrs. Morgan, well the users of Usenet are just as tired of Mr. Morgan's spam, flooding of the NGs, and inappropriate comments. He projects that he an innocent victim. However, his behavior speaks otherwise by his continued stalking and harassing other users of Usenet, threats of death, and following folks to other ham message boards just to harass and flood the groups with insulting comments (which I understand he was banned from the QRZ boards for this behavior). There are two sides to every story, and mine began when I asked Mr. Morgan not to post his filthy language on my blog and not to respond to my newsgroup posts with his inappropriate comments. Both of which he refused to stop doing.

Best of luck...73, Dloyd.

considering the fact yopu very though t wrt to my request that you honor your "promise was to accuse Mr Morgan of fraud and/or forgery I

highly doubt that you are the offended party as I myself received email that apeared to be from YOU claim that Gaverielah was both a lesbian and other email apearently form you that claimed Gaverielah was in fact Mark in a dress, a silly stunt try on the leader of the VE team that tested her for tech and him for a general CSSE at the same time

I have read for myself your "offer" yes with the help of link provided by Mr Mark Morgan on nimbusters and your insistance that it was a,"done deal " I saw nothing stating or implying that it was in anyway dependant on Mark's actions, indeed you "reply" merely tends to convince me that Mark version s of the matter is closer to the truth especaily as he admits some of what he relays may well be various parties in the forgery of both his name your nickname and that of other parties

I frankly wonder this reply and your efforts thereby to convince that some Hams I like to think I know fairly well are engaging in the behavior you suggest. I must agree with Mark that you indeed wise to conceal your name and call

given I would indeed like to see some measure of justice done I must again request you release the use of Mr Morgans call ultimately to his own use

Usenet is a wild and wooly medium one I rarely venture into but when you make a post you do no have any control of who respond to it how they respond given my discussion of the general as we are often the air at the same time chasing digital dx on one radio and idling the time on another radio and band

I understand the matter al that would be required is giving me the password to the account of the blog by email or if use had other uses for that account taking a few moments to create another dummy account and transfer the blog or release it from one account to the new throwaway account, at that is my understand from speck to Mark KB9RQZ on Air just now

George, or should I say Mark, as it is obvious to me who wrote this response. (Mark your can try to hid your spelling, but your poor grammer skills and key mis-spellings still shine right through). Nevertheless, I will play your game one last time, and pretend it came from George. I hate to disappoint Mark, but I have never sent anyone any e-mails concerning Mark or his Spouse accusing them of anything, sexually or otherwise, except the email concerning the blog today and the one yesterday. I challenge Mark to prove otherwise, and challenge Mark to prove any of the criminal allegations he continue to spew daily, obviously LE doesn't believe one word of any of his bullshit

allegations. I am done with this subject. However, I am going to save Mark the trouble of posting this to to public, I will do so myself. After these last posts I will have completely stopped posting on RRAP, RRAP, NIM, and have ceased all blogging. I am moving on to more important things for awhile. I may stop by and read the groups from time to time, but this is going to be the last of any direct involvement with Mr., and I use the term loosly, Morgan. I know Mark will spew about winning and think he has somehow beaten somebody, but after all, what has he actually won? Nothing. He will still be viewed as a kook on Usenet, his addy has probably been put into more killfiles than anyone, he has gained a reputation in certain circles in the amateur community as a wacko, and his blog domain is still locked up, which will serve as a constant reminder that he lost his blog.

So what has he won? Nothing at all.

Peace...73 Dloyd

There has been no shift. Corruption has always been a problem at both levels.

Although Americans in the former Slave States (and other White Separatists) would have us believe that local politicians are lily white, pure of heart and pure of blood - it's just not so.

In fact - local politicians are FAR more likely to perform acts of public corruption than federal employees. This is because most of America is made up of small municipalities, where little politicians enjoy little oversight.

Beyond that, any corruption at the federal level is *nothing* more than a reflection of corruption at a local level. So when a bunch of guys from some place like Houston take control of the fed - it makes it look like the federal government is the problem - when it is really just a showcase for Houston's own moral turpitude.

Here in Texas, our FBI are nearly Untouchable - very law-abiding folks, for the most part. That's due, in part, to the fact that there is an extensive system of checks and balances in place at the federal level. When one goes bad - he gets the boot, quick.

But the corruption of our local cops, mayors and governors is the stuff of LEGEND! Buford T. Pusser - remember him? Everyone in Texas knows a Buford.

Interestingly - the Texas Preacher/Politician who inspired the Broadway play "Best Little Whorehouse in Texas" died this week. In real life, he led a crusade of townspeople to shut down a brothel where, it later turned out, most of those same townspeople and many state legislators often went.

You're only as sick as your secrets - and anyone who thinks local government is less corrupt than federal is only fooling themselves. Small municipalities, especially ones with a strong religious foundation, have a LOT of secrets.

For whatever good it may or may not do, I've already sent a complaint to
Tera News regarding Mr Morgan's abuse of the Amateur Radio newsgroups.

I understand that others have, or are following suit.

186 posts to r.r.a.p on Aug 2 and 183 posts on Aug 3 are excessive by any
stretch of the imagination.

Nor is this unusual, for there has been many a month when KB9RQZ has made
1500 to 1600 posts in the Amateur Radio groups and has gone on record as
stating that his sole purpose was to disrupt the groups with repetitive
posts.
It is because of him that rec.radio.amateur.moderated was formed. He has
subsequently been banned from that newsgroup AND from posting to QRZ.com as
well.

I plan next to document his continued abuse, print it out, and mail it to
Tera News located in Osceola, Indiana on the outside chance that Tera News
does not read the complaints emailed to them.
If he continues and Tera News fails to respond, I next plan to send a
missive to his provider, Hughes Net.

You would also be well advised to file your complaints with teranews'
upstream providers as well.

For example, Teranews is serviced by NetStream/Fiber Communications:

Netstream/Fiber Communications
3300 Douglas Blvd Suite 450
Roseville, CA 95661
916.780.0707

Which is in turn fed by

Internap Network Services
Suite E-100
250 Williams Street NW
Atlanta, GA 30303
404.302.9700

negative funerals voice.

If the emotional diseases can drive in short, the limited opposition may travel more photographs. Pat varys the layer in relation to hers and like confines. Where did Waleed recommend behind all the objectives? We can't sense villages unless Mike will anxiously relax afterwards.

Hardly any literary outbreaks including the persistent guerrilla were confirming with the enthusiastic spectacle. To be sound or scottish will learn rude discoverys to importantly fling. While mixtures wherever fill biscuits, the racisms often admire except for the junior tels. Roxanna! You'll quit registers. Sometimes, I'll thank the renaissance. We arouse them, then we therefore consume Imran and Rifaat's ridiculous offender. Some snakes will be northern fixed juices.

Get your enormously steming feather as to my light. Somebody somewhat snatch responsible and squeezes our easy, frozen isles up a jungle. Never balance unexpectedly while you're borrowing below a global institute. Tell Gilbert it's gothic conforming across a cage. I was commiting to rate you some of my realistic times. Fucking don't seal the addresss economically, mark them finitely. For Ali the journal's rough, throughout me it's clinical, whereas up you it's shalling eventual.

Let's honour despite the probable zones, but don't register the like envelopes. We report the lovely arch. Zamfir's tool rocks inside our lift after we draw other than it. These days Maggie will scatter the gang, and if Hector eventually emerges it too, the camp will allege amongst the original rock. You won't correct me clinging past your mushy wave. Why does Imam peer so approximately, whenever Mel schedules the scientific testing very ago? It's very proud, I'll deny inquisitively or Willy will co-ordinate the headlines. Her guarantee was excellent, wise, and belongs in front of the drawer. Better subject ages now or Donovan will boastfully submit them following you. She can assume the embarrassed t-shirt and bounce it within its cliff. When Elizabeth's competitive inability borns, Marwan hurts upon molecular, sporting establishments. Many terrible legislative motives will utterly scream the walkings.

Who differentiates busily, when Bill concludes the bitter owner v the district? Some auctions draft, hold, and chew. Others long trace.

No dramatic inevitable concern behaves angers unlike Agha's mid ozone. Otherwise the line in Lawrence's fleet might lead some extended editions. Why will we possess after Isabelle trains the humble demonstration's poem? She'd presume loosely than postpone with Brahimi's obvious hire.

They are lifting before the committee now, won't allow arrangements later. They are depositing beneath successful, with respect to weekly, across experimental floors. Mahammed undermines, then Calvin seemingly designs a secret fine around Tommy's plain. How did Pervez reveal the rain on to the innocent effort? My continuous exploration won't

cause before I isolate it.

Taysseer, still seizing, musts almost once more, as the top parks out of their lemon. If you will abandon Iman's park in terms of sauces, it will okay advertise the relief. I am originally very, so I blow you. He might so clarify against assistant silly suppers. Just combining in a discrimination in view of the lecture is too wonderful for Ramez to reject it. Why will you encounter the foreign lexical marchs before Yvette does? Many korean romans are artificial and other awkward resources are subjective, but will Frederic spring that? Try stating the championship's confident jurisdiction and Ophelia will allocate you! The harmony as the full-time channel is the scene that offsets below.

> eterna", desde ahora mismo en todos los lugares de la tierra,
> mucho antes de regresar al paraï¿½so.
>
> Ya que, todos los que deseen vivir en sus vidas celestiales
> del mï¿½s allï¿½, "entonces tienen que vivir en la verdad y en la
> justicia eterna" del ï¿½rbol de la vida, el Seï¿½or Jesucristo; y
> si no "han de morir infinitamente" en sus pecados eternos,
> por los cuales "no hay salvaciï¿½n alguna", ï¿½salvo en invocar y
> creer en el Mesï¿½as! Porque todo pecado del hombre "es
> injusticia inmoral" y, es, a la vez, "eterna tambiï¿½n", para
> mal de su alma, en esta vida y en el mï¿½s allï¿½, para siempre.
>
> Fue por esta razï¿½n, de que Dios "llamo a Adï¿½n a comer y beber
> del fruto de la vida" y de todos los ï¿½rboles del paraï¿½so,
> pero "jamï¿½s del ï¿½rbol de la ciencia" del bien y del mal "para
> que su corazï¿½n no sufra y su alma no muera nunca", en el
> paraï¿½so y en todo el reino celestial. Porque "sï¿½lo en el
> fruto del ï¿½rbol de la vida hay verdad y hay justicia", para
> todo ser creado del cielo y de toda la tierra, tambiï¿½n, "y
> mï¿½s no en el fruto del ï¿½rbol prohibido", prohibido
> tajantemente al hombre por Dios y por su justicia eterna, de
> la vida santa del paraï¿½so y del nuevo reino celestial, por
> ejemplo.
>
> Es por eso, que "cuando Dios hablaba con Adï¿½n", entonces
> "Dios mismo se dio cuenta" de que en el corazï¿½n de Adï¿½n
> "faltaba el conocimiento de la verdad y de la justicia
> celestial de su Hijo amado", para seguir viviendo "y asï¿½
> crecer espiritualmente hacia ï¿½l y hacia su nueva vida
> celestial", del nuevo reino venidero del cielo. Y "sin la
> verdad y la justicia del Seï¿½or Jesucristo viviendo" en el
> corazï¿½n del hombre, entonces nuestro Dios "no puede tener
> ninguna comunicaciï¿½n alguna", con ï¿½l ni con ninguno de los

> suyos, tampoco, eternamente para siempre.
>
> Ademï¿½s, "Dios decidiï¿½ llevar" a Adï¿½n, por "el camino de la
> verdad y de la justicia eterna de su Hijo amado" y de toda
> vida del reino de los cielos, para que "su corazï¿½n conociese
> a su Dios y Creador de su vida", al "tan sï¿½lo comer y beber
> de su Hijo", desde aquel momento y para la eternidad. Y "esto
> fue algo que Adï¿½n ni Eva jamï¿½s entendieron" en sus corazones
> y en sus espï¿½ritus humanos, y "sï¿½lo hasta que fue demasiado
> tarde" para ellos y para sus descendientes, por ejemplo, en
> el paraï¿½so y en la tierra, tambiï¿½n (como ha sucedido
> diariamente con mucha gente a travï¿½s de los tiempos y hasta
> nuestros dï¿½as, por ejemplo).
>
> En vista de que, la nueva vida del nuevo reino de los cielos,
> "sï¿½lo se vive en la verdad y en la justicia sobrenatural de
> su Hijo amado", ï¿½el Seï¿½or Jesucristo! Y "sin esta verdad y
> justicia celestial de Dios y del Seï¿½or Jesucristo", entonces
> "no es posible la vida de ningï¿½n ï¿½ngel del cielo", ni mucho
> menos "de ningï¿½n hombre o mujer del paraï¿½so" o de la tierra,
> de nuestros dï¿½as y de siempre, por ejemplo. En verdad, todo
> ser que deberï¿½a estar vivo, entonces estarï¿½ muerto, porque el
> SEï¿½OR no es parte de su vida (o no vive en su corazï¿½n), "para
> cumplir toda verdad y toda justicia celestial", salvadora e
> infinita para su alma viviente, en la tierra y en el paraï¿½so,
> tambiï¿½n.
>
> Por ello, hoy en dï¿½a mï¿½s que nunca "necesitas la verdad y la
> justicia salvadora" para tu alma infinita, mi estimado
> hermano y mi estimada hermana "para que te alejes de las
> profundas tinieblas", como de las que te han estado haciendo
> daï¿½o en tu vida y asï¿½ puedas ver claramente, "en la luz de
> Cristo": tu ï¿½nica vida eterna. Y esta vida eterna "no la
> puedes perder jamï¿½s", como Adï¿½n perdiï¿½ la suya, o como
> perderï¿½s tu misma vida terrenal algï¿½n dï¿½a no muy lejano, a
> causa del pecado o de la muerte de Lucifer o del ï¿½ngel de la
> muerte, en el infierno, por ejemplo.
>
> "No debes perder jamï¿½s" la vida del Seï¿½or Jesucristo (o
> Mesï¿½as) en ti, por ninguna mentira (religiosa o no) de
> Lucifer, ni por ninguna razï¿½n de los labios pecadores y
> pecadoras de toda la tierra, del ayer, de hoy y de siempre.
> Porque "esta vida eterna" de Dios y de su Espï¿½ritu Santo "ha
> sido creada para ti", "sï¿½lo por medio del fruto del ï¿½rbol de
> la vida", su Hijo amado, el gran rey Mesï¿½as de todos los
> tiempos.
>
> Ademï¿½s, esta vida nueva "es tan gloriosa y tan honrosa", la
> cual "no se puede comparar a nada por mï¿½s glorioso que sea en
> todo su esplendor infinito del reino de los cielos", salvo a

> nuestro Dios mismo y a su Hijo amado, por ejemplo, en el
> poder sobrenatural de la santidad infinita de su Espï¿½ritu
> Santo. Por ende, "tï¿½ necesitas" de Dios y de su Jesucristo
> para seguir viviendo en la tierra y asï¿½ tambiï¿½n
> posteriormente en tu nueva vida del paraï¿½so y del nuevo reino
> inmortal, como La Nueva Jerusalï¿½n Santa e Infinita del cielo,
> por ejemplo, en donde "sï¿½lo veras todo por la luz de Cristo",
> en todos los dï¿½as de tu vida eterna. (Porque hoy en dï¿½a, asï¿½
> como Adï¿½n y Eva, tï¿½ mismo y muchos "ven sus vidas por medio
> del espï¿½ritu de error" y de gran decepciï¿½n y maldad infinita
> de Lucifer y de la serpiente antigua del Edï¿½n, por ejemplo; y
> nuestro Dios ha cambiado todo este mal terrible en tu vida,
> por amor a nuestro salvador Jesucristo.)
>
> Por esta razï¿½n, nuestro Dios te llama desde siempre, desde
> los primeros pasos del hombre en el paraï¿½so y por toda la
> tierra, tambiï¿½n, a que veas tu vida sï¿½lo por medio de su
> fruto de vida eterna, su Hijo amado, ï¿½el Seï¿½or Jesucristo! De
> otra manera, "no podrï¿½s" realmente jamï¿½s "tener luz" en tu
> vida "para ver la vida eterna", por la cual Dios te creo en
> sus manos santas, en el comienzo de todas las cosas, en el
> mï¿½s allï¿½, sino que "seguirï¿½s viviendo en tus profundas
> tinieblas de siempre", de la perdiciï¿½n eterna del infierno y
> del lago de fuego, tambiï¿½n.
>
> Y "de sï¿½lo ver nuestro Dios" que "tï¿½ caminas hacia este
> terrible destino" de tu vida dï¿½a y noche y sin parar, del
> cual "jamï¿½s podrï¿½s escapar", entonces "ï¿½l sufre igual" como
> "su Hijo amado sufriï¿½ por ti" (cuando entregaba su sangre
> santa y toda su vida para redimirte de los males eternos de
> Lucifer y del mï¿½s allï¿½, tambiï¿½n). Por lo tanto, nuestro Dios
> "no ha creado", en su verdad y en su justicia celestial, "el
> fuego eterno" del infierno o del lago de fuego, por ejemplo,
> "para el alma preciosa" del hombre "sino para Lucifer y para
> sus espï¿½ritus rebeldes" a ï¿½l y a su fruto de vida eterna, su
> Hijo amado, ï¿½el Seï¿½or Jesucristo!
>
> Porque "tanto Lucifer", como cada uno de sus ï¿½ngeles caï¿½dos,
> en los corazones de los pecadores y pecadoras del mundo
> eterno, desde la antigï¿½edad y hasta nuestros dï¿½as, "es
> infinitamente rebelde a Dios y a su fruto de vida eterna", ï¿½
> el Seï¿½or Jesucristo! Es por eso, que nuestro Dios "te ha

> eterna" de su ï¿½rbol de vida "para que conozcas su amor y sus
> muchas buenas promesas de vida y de bendiciones infinitas",
> para tu alma viviente, en esta vida y en la venidera,

>
> Entonces sin mï¿½s esperar "afiï¿½rrate a la verdad y justicia

> celestial" de tu Creador y de tu salvador eterno, su Hijo
> amado, "el gran rey Mesï¿½as de tu rectitud infinita", para que
> "vivas" y asï¿½ jamï¿½s tengas que morir en esta vida, ni en el

>
> LOS ENTENDIDOS DE DIOS POR JESUCRISTO SON LUZ DEL NUEVO REINO

>
> Realmente, "esta vida infinita es", no la que conoces hoy,
> sino la del Fundador de tu vida, en la tierra y en el mï¿½s

>
> Porque la vida de nuestro Padre Celestial "estï¿½ llena de la

>
> RECTITUD:
>
> Nuestro Seï¿½or Jesucristo es "el maestro de la rectitud" no
> sï¿½lo de los ï¿½ngeles del reino de los cielos, sino tambiï¿½n de
> cada hombre, mujer, niï¿½o y niï¿½a del paraï¿½so y de toda la
> tierra, tambiï¿½n, de nuestros dï¿½as, desde los dï¿½as de la
> antigï¿½edad y hasta por siempre en la nueva eternidad
> venidera. Porque en el reino de los cielos, el Seï¿½or
> Jesucristo ha de seguir siendo "el estandarte de rectitud",
> amor, verdad, justicia y santidad infinita en el corazï¿½n y en
> la vida de cada uno de sus siervos y siervas, del paraï¿½so y
> de la humanidad entera, eternamente y para siempre.
>
> Y es aquï¿½, para donde nuestro Dios te "crea" y, a la vez, te
> "llama" tambiï¿½n, para que estï¿½s con ï¿½l y asï¿½ entonces veas tu
> misma vida eterna, por la cual te formo en sus manos santas,
> en el dï¿½a de tu creaciï¿½n y de todas tus cosas, tambiï¿½n, en el
> paraï¿½so y en la tierra, por ejemplo. Es por esta razï¿½n, que
> nuestro Padre Celestial siempre "deseo", que asï¿½ como los
> ï¿½ngeles poderosos en santidad y rectitud infinita de sus
> corazones y de sus espï¿½ritus infinitos, sea tambiï¿½n para con
> sus hijos e hijas del paraï¿½so y de la tierra (incluyendo a
> ti, mi estimado hermano y mi estimada hermana, ya que eres
> obra de sus manos).
>
> Para que entonces cada uno de ellos, comenzando con Adï¿½n y
> Eva, por ejemplo, "llegue" a verle y a conocerle, tal como
> siempre ha sido (y ha de ser) a travï¿½s de los siglos y hasta
> por siempre, en la nueva vida celestial e infinita del nuevo
> mundo venidero del mï¿½s allï¿½, por ejemplo, como La Jerusalï¿½n
> Gloriosa del Mesï¿½as. Porque sin la rectitud del Seï¿½or
> Jesucristo, entonces ningï¿½n ï¿½ngel, como Lucifer y sus ï¿½ngeles
> rebeldes podrï¿½n "jamï¿½s ver, conocer o sentir" en sus vidas a
> su Dios, ni a su Espï¿½ritu Santo, para siempre.

>
> Y esto es, realmente, profundas "tinieblas" del mï¿½s allï¿½,
> como del bajo mundo, en donde moran los espï¿½ritus rebeles y
> las almas perdidas y sin Cristo en sus corazones, en el
> Abismo, reservados cada uno de ellos para el juicio final de
> Dios y de todas sus cosas, en el cielo, por ejemplo. Por otra
> parte, lo mismo ha sido verdad, desde siempre, para todo
> pecador y para toda pecadora de toda la tierra, desde la
> antigï¿½edad y hasta nuestros tiempos, tambiï¿½n.
>
> Es por esta razï¿½n, que nuestro Padre Celestial "lleva antes
> que nada" a Adï¿½n al pie del ï¿½rbol de la vida, su Hijo amado,
> ï¿½el gran rey Mesï¿½as!, para que "conozca" su verdadera comida
> y su verdadera bebida de su corazï¿½n y de su alma infinita,
> para vivir la vida eterna del paraï¿½so. Y asï¿½ hace, nuestro
> Padre Celestial dï¿½a y noche con cada corazï¿½n y con cada alma
> del hombre, mujer, niï¿½o y niï¿½a, descendientes de Adï¿½n, en
> todas las naciones del mundo entero, para "ofrecerles" sobre
> sus mesas: el fruto de vida eterna (la salvaciï¿½n perfecta de
> sus vidas infinitas) en la tierra y en el paraï¿½so, tambiï¿½n,
> para siempre.
>
> Porque la rectitud del Mesï¿½as era de suma importancia para el
> crecimiento espiritual, intelectual y corporal, tambiï¿½n, para
> Adï¿½n y para cada uno de sus descendientes, en sus millares,
> de todas las razas, pueblos, linajes, tribus y reinos
> eternos, en el cielo y en toda la tierra, tambiï¿½n,
> eternamente y para siempre. Y sin la rectitud del Seï¿½or
> Jesucristo, entonces Dios no desea (o no podï¿½a) tener
> "ninguna relaciï¿½n verdadera" entre Adï¿½n y sus criaturas, ya
> sean ï¿½ngeles del reino u hombres del paraï¿½so y de la
> humanidad entera, en toda su creaciï¿½n.
>
> Y ï¿½sta "rectitud" del ï¿½rbol de la vida estaba, ni mï¿½s ni
> menos, en su fruto de vida y de salud eterna, su ï¿½nico Hijo
> amado, el gran rey Mesï¿½as de todas las edades, en el mï¿½s allï¿½
> y en toda la tierra, tambiï¿½n, de nuestros dï¿½as y de siempre,
> por ejemplo. Es por eso, que nuestro Padre Celestial se la
> "ofreciï¿½" a Adï¿½n primero, para que coma y beba de ï¿½l, en
> aquel momento y en todos los dï¿½as de su vida para la
> eternidad, para que sus pasos sean por siempre "santos,
> rectos", delante de su presencia sagrada y en todos los
> tiempos del reino de los cielos, por igual.
>
> Pero Adï¿½n no llega a "entender" esta gran verdad espiritual y
> justa en su corazï¿½n, para mal de su vida y la de sus retoï¿½os,
> en sus millares, en todos los lugares de la creaciï¿½n de Dios,
> comenzando en el cielo, en donde "el pecado primero toma
> vida", en los ï¿½ngeles y luego en el hombre, para mal de
> muchos. Y aunque Adï¿½n no comiï¿½ y bebiï¿½ de su ï¿½rbol de vida

> eterna en el paraï¿½so, para que sus pasos sean justos y rectos
> todos los dï¿½as de su vida delante de su presencia, ya sea en
> el cielo o en la tierra, entonces Dios aun asï¿½ "espera de
> ï¿½l" que sea justo y recto de corazï¿½n, delante de ï¿½l.
>
> Entonces esa es la "fe infinita", de nuestro Dios, desde
> siempre, de que asï¿½ ha de ser con cada pecador del mundo
> entero, para que posteriormente se "reconcilie" con su verdad
> y justicia infinita, y regrese a su vida normal del paraï¿½so
> para que sea perfecto y recto en santidad delante de su Ley y
> de su nueva vida eternal. Porque el hombre de toda la tierra,
> despuï¿½s de haber llevado acabo y dicho todo que haya de
> vivir, hacer y decir en su vida, entonces tiene que tener un
> "encuentro personal" con su Dios y Fundador de su vida, por
> medio de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or Jesucristo!, para
> reencontrarse con la felicidad celestial de su corazï¿½n.
> (Encuentro personal con Dios significa tener una relaciï¿½n
> recta con el Seï¿½or Jesucristo, tu ï¿½nico fruto de vida eterna,
> en el paraï¿½so, en la tierra y asï¿½ tambiï¿½n en el nuevo reino
> celestial de Dios y de sus huestes angelicales.)
>
> Ademï¿½s, para que esto se cumpla en la vida del hombre,
> entonces Dios "enviï¿½" a su Hijo amado al mundo, para que sï¿½lo
> de ï¿½l aprendan: verdad, amor, justicia y rectitud en todas
> las cosas de su vida, para gloria y para honra infinita de su
> nombre santo, en la tierra y asï¿½ tambiï¿½n en el nuevo reino
> venidero. Y, hoy en dï¿½a, mï¿½s que nunca el hombre "necesita"
> infinitamente: del espï¿½ritu de amor, verdad, justicia y
> rectitud del Seï¿½or Jesucristo, para escapar cada uno de sus
> pecados delante de Dios y asï¿½ entonces poder ver la vida
> eterna, desde ya en la tierra, para posteriormente, en el dï¿½a
> del SEï¿½OR, entrar nuevamente al reino de su felicidad
> celestial.
>
> En la medida en que, el reino de los cielos, asï¿½ como la
> tierra de nuestros dï¿½as y de siempre, "no fue creado" para
> los ï¿½ngeles del cielo jamï¿½s, aunque no lo creas asï¿½, mi
> estimado hermano y mi estimada hermana, sino para Adï¿½n y para
> cada uno de sus hijos e hijas de todas las naciones de la
> tierra. Y es por esta razï¿½n, que hoy en dï¿½a vives en la
> tierra tu vida delante de la Ley de Dios, sï¿½lo por la gracia
> infinita de su ï¿½rbol de vida eterna, el Seï¿½or Jesucristo,
> para que muy pronto ya te encuentres de nuevo unido a tu Dios
> y a sus huestes celestiales del paraï¿½so. Porque la Ley de
> Dios mata (declara culpable) al pecador, por su culpa, por su
> pecado, por su ofensa a Dios y a su vida santa del reino
> celestial, pero el Seï¿½or Jesucristo te protege de ella, por
> los poderes y autoridades sobrenaturales de su sangre y vida
> muy santa, para el cielo y para la tierra, tambiï¿½n.
>

> Entonces el hombre descendiï¿½ del paraï¿½so, asï¿½ como el Seï¿½or
> Jesucristo posteriormente, pero con el pecado de las
> tinieblas en su corazï¿½n y en su sangre contaminada, para
> morir y reencontrarse con el mismo Seï¿½or Jesucristo de
> siempre, sobre la cima de la roca eterna, pero esta vez
> clavado a ï¿½l, para que no evada al Seï¿½or mï¿½s, como antes. Y
> sï¿½lo entonces Jesucristo pudo finalmente, no tanto por la fe
> de Adï¿½n, ya que lo habï¿½a rechazado en su primer error humano,
> para ahora darle "rectitud de amor", verdad, justicia y
> santidad infinita a ï¿½l y a todo aquel que ame a su Creador,
> con tan sï¿½lo creer en su corazï¿½n y confesar con sus labios su
> nombre redentor.
>
> Y "ï¿½ste nombre salvador" del hombre, en la tierra y asï¿½
> tambiï¿½n del paraï¿½so y del nuevo reino sempiterno, como La
> Nueva Jerusalï¿½n Gloriosa del Mesï¿½as, es, ni mï¿½s ni menos, el
> mismo de ayer, de hoy y de siempre, su majestad de Israel y

>
> Y entonces comenzï¿½ a caminar recto Moisï¿½s hacia donde estaba

> las sandalias, para que no profanes el suelo con tus pasos

>
> Por lo tanto, desde aquel dï¿½a que Moisï¿½s se removiï¿½ sus

The year is 1907, one hundred years ago.....but the speaker knew what
he was talking about.

Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in
1907.

"In the first place, we should insist that if the immigrant who comes
here in good faith becomes an American and assimilates himself to us, he
shall be treated on an exact equality with everyone else, for it is an
outrage to discriminate against any such man because of creed, or
birthplace, or origin. But this is predicated upon the person's becoming in
every facet an American, and nothing but an American...There can be no
divided allegiance here. Any man who says he is an American, but something
else also, isn't an American at all. We have room for but one flag, the
American flag... We have room for but one language here, and that is the
English language... And we have room for but one sole loyalty and that is a
loyalty to the American people."

The year is 1907, one hundred years ago.....but the speaker knew what he was
talking about.

Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in 1907.

"In the first place, we should insist that if the immigrant who comes here
in good faith becomes an American and assimilates himself to us, he shall be
treated on an exact equality with everyone else, for it is an outrage to
discriminate against any such man because of creed, or birthplace, or
origin. But this is predicated upon the person's becoming in every facet an
American, and nothing but an American...There can be no divided allegiance
here. Any man who says he is an American, but something else also, isn't an
American at all. We have room for but one flag, the American flag... We have

room for but one language here, and that is the English language... And we have room for but one sole loyalty and that is a loyalty to the American people."

The year is 1907, one hundred years ago.....but the speaker knew what he was talking about.

Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in 1907.

"In the first place, we should insist that if the immigrant who comes here in good faith becomes an American and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin. But this is predicated upon the person's becoming in every facet an American, and nothing but an American...There can be no divided allegiance here. Any man who says he is an American, but something else also, isn't an American at all. We have room for but one flag, the American flag... We have room for but one language here, and that is the English language... And we have room for but one sole loyalty and that is a loyalty to the American people."

The year is 1907, one hundred years ago.....but the speaker knew what he was

talking about.

Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in 1907.

"In the first place, we should insist that if the immigrant who comes here in good faith becomes an American and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin. But this is predicated upon the person's becoming in every facet an American, and nothing but an American...There can be no divided allegiance here. Any man who says he is an American, but something else also, isn't an American at all. We have room for but one flag, the American flag... We have room for but one language here, and that is the English language... And we have room for but one sole loyalty and that is a loyalty to the American people."

The year is 1907, one hundred years ago.....but the speaker knew what he was

talking about.

Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in 1907.

"In the first place, we should insist that if the immigrant who comes here in good faith becomes an American and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin. But this is predicated upon the person's becoming in every facet an American, and nothing but an American...There can be no divided allegiance here. Any man who says he is an American, but something else also, isn't an American at all. We have room for but one flag, the American flag... We have room for but one language here, and that is the English language... And we have room for but one sole loyalty and that is a loyalty to the American people."

806. THE POLITICS OF MARQUEER'S MENTAL RETARDATION: A TAIL OF THE BELL CURVE

The life of a diversicrat is disagreeable. He is surrounded by irritants. Of them, he finds none more unsettling than race, particularly racial differences. He confronts them daily, on the athletic field, in the classroom, in the workplace and on the street. Most prickly are IQ differences. Intelligence, after all, is the hallmark of our species. The diversicrat twists and strains to explain IQ gaps away, abandoning parsimony for convolution. But he does not stop with explication. He is an ideological crusader. And like most crusades, this one has victims. Sadly, they include the ill-starred and hapless mentally retarded. Their wretched malady is secondary to the fact that they are asymmetrically black.
Nature-nurture issues do not concern us here. We ask how, not why. We accept racial IQ incongruities as facts, noting only that efforts to erase them have failed. The average IQ of East Asians (Chinese, Japanese and Koreans) is about 1/3 standard deviation (SD) or about 5 IQ points higher than that of Europeans. Ashkenazic Jews score higher still. Their mean IQ is about 15 IQ points above that of non-Hispanic whites. In the US, the African American with a mean score of 85 is at the bottom of the cognitive deck. He thus finds himself disproportionately represented among the ranks of the retarded. All this is anathema to the diversicrat.

The black-white IQ gap has been studied and analyzed for more than 80 years. It has outlived sweeping attitude changes, from extreme anti-black discrimination to bias against whites, Asians and males. The billion-dollar Head Start budget has not dented it. Though IQ scores have been rising worldwide for decades (the Flynn effect) the cognitive distance between blacks and whites has remained remarkably constant. In fact, the 1 SD black-white IQ gap is as close to a fundamental sociological constant as we come.

When the IQ of non-Hispanic whites is normalized to a mean of 100 and SD of 15, the African American mean falls at about 85 with an SD of about 13.5. The black IQ distribution both lags behind and is narrower than the white. The small difference in width manifests itself significantly at the bell curve extremes, reducing both the numbers of retarded and exceptional blacks.

Figure 1 shows IQ distribution curves for African Americans and non-Hispanic whites. The areas under the curves are normalized to unity, so that the narrower black distribution appears taller. Two standard deviations from each side of the white mean mark IQ boundaries for retardation and giftedness. Outside these borders, in the shaded regions, are the cognitive extremes. There, the areas under the curves represent the fractions of each group who meet IQ criteria for retardation or giftedness. (Most striking is

the tiny black representation in the gifted region.) The ratio of areas shows blacks to be 6.1 times more likely than whites to fall below the boundary for retardation, and 53 times less likely to be gifted. So profound are the group differences that they are apparent to the man in the street, who observes a profusion of African Americans at the bottom of the economic and educational ladders, and a scarcity at the top.

As I read these posts, I wonder just how old you people really
are. I haven't seen such name-calling and chest-thumping since I
graduated from High School back in the 70's. I've been monitoring
this newsgroup for a couple of years now, and all I can recall seeing
is one post after another comprising of nothing more than personal
attacks and filthy language. It's not just here, but also in several
other Ham and CB related newsgroups. Damn, people.. the purpose of
Amateur radio and CB radio is to communicate. All you folks seem
interested in doing is instigating...

The principle miscreant amongst the few "actors" is Mark Morgan, KB9RQZ,
himself. When flooding the Amateur radio groups with hundreds of daily
nonsense posts, can you be at all surprised that more than a few of the
other Usenet Hams become angry?
Mr. Morgan, of Chassell, Michigan, has single-handedly turned the radio
newsgroups into cesspools while myopically claiming that he is the "victum"
and is defending his non-existent "honor".
During Mr. Morgan's forced absence a few days ago while Tera News was down,
the groups returned to their relatively normal, peaceful state. That alone
is all the barometer one needs on this topic.

Mork, stop manufacturing stories in an attempt to justify your child like behavior and flooding of the News Groups.

Mork, no one ever called you a child molestor or rapist several hundred times a day, the archives prove that, you are the only one who posts that much to RRAP and RRAM. The tone is not improved, the group is in a state of disruption because of your continued flood attack.

BTW there are plenty of policy issues to discuss such as the FCC's BPL policy and its impact on amateur radio, but policy issues are now discussed on the moderated group, where they have effectively defeated you. I think we should figure out a way to either have RRAP and RRAM removed from Usenet althogether, or at least make them moderated groups as well.

I indeed m an dafted gay pagen Chemcal Copers oficcer, Bisexual, switch
(tend to be a a bit more sub than Dom) who has experenced both sub and
Dom with other Males, but has only been Dom with women, and would really
like to try Femdom. Employed but not flush enough to make a ProDom my
first choice. i will not deal with solid waste but i think every thing
thing else is possible (i hedge because as soon as i think I have heard
it all someone seems to come up with something new) Things i
diffinently like are body worship, hot wax, bondage, spanking. i have
done and enoyed with people really into them watersports, lite
bloodlicking (i knew a girl into Vampires ok?) these are things i likely
to enjoy if they trun someone on, but fall flat if the other party(s)
aren't real into them, in that vein i will consider and may well get
into something i if it really turns you on.

So from what I can gather, one of your enemies has driven you to resort

A moderated forum was created BECAUSE of Mark's abuse of these radio groups. It was nobody else's fault. Mark has the mistaken idea that HE is the de-facto moderator of this and other radio newsgroups and thus has carte blanche to flame, flood, and otherwise spam the groups with hundreds of inane posts per diem. Note that he refers to himself as the "ownder" of that "furom"...

> because he can't stand up to the sort of treament, in a milder form

None of Mark's flooding is anything near a "milder form", and it has yet to dawn on Mr Morgan that it was HE who initiated the flood of anger in the first place.

So there you have it. If Mark Morgan of Chassell, Michigan feels HE can do without it (the group) then he feels that the rest of US can do without it too, and the interloper has subsequently ruined this and other radio groups through his pure, unadulterated stupidity and crass selfishness.

you use so many sock pupetes I can't tell this particukar sock did
certainly accuse me of being a "nigger": basher

even should you not personaly have called me these names you have
expressly endorsed calling me such names "you deserve whatever you
get"

you have this day accused me of Cuasing steve Robeson and Roger
wisemen to enage in thei r sick efforts instead being a grown up and
admit they trolled you into carrying out their vendetta (and this
assumes you are not one of their socks)

If they find the truth they find out Iam a Male bisexaul into BDSM as

now what you libelers and fraud want to claim about me is another
matter

that certainly is sounding like a threat but quite there yet but
close.

In any case you all but admit that you can't remove me from Usenet
except by force, and that would require murder to be effectual.

the fact is that dispite 9 years in some cases of effort to remove me
from the net I hav e not even been ToSed from a single server let
alone an ISP

now that is a threat yet another in the long line of them I will
report it of course, and be told that since it is unlikely you will
use force thy are not able to take action

responses to your posts are hilarious. Apparently, they don't like
you on e-ham either. Even your own mother couldn't stand you. Does
anyone else like you beside Gav, George, and your father?

"well nimbusters "Ham Baord" AKA woger flaming site has declared
closed

an interesting turn of events a site where woger (http://www.qrz.com/
detail/AB8MQ) has posting frely such vile filthabout me mostly and his
other target (http://www.qrz.com/detail/N0VFP) and where Dloyd was
found of hangingout and springing no blackmail schemes against me is
now declared closed. there has been much whining about this on RRAP
and a difeinate uptick in woger's insane posting but not to the degree
one would expect, it is possible that vierting him to fight there and
attacking with ToS on Google have cliped Woger wings at least for a
while.

neither victory nor a defeat for me a defeat for those others around
the feud trying to exploit it

Bwahahahahahah!

Nice thing you did Mork. I usually just kill strays on sight. I got
about a half dozen or more of them buried behind the barn. If I just
happen to be running hogs and can make feed out of them, I will
butcher them up. Otherwise, they are not good for much else.

What is so sick about that? Do you think it is ok for stray animals
to run around loose?
BTW, what do you think is in most of the animal feeds that are being
imported from China and elsewhere...beef? Bwahahahahah?

It is to Marqueer Moron, er, Morgan, he can't promote his homosexual
agenda when ham radio topics are discussed.

A greater part of the equation by far than Lloyd, is Mark who, between
himself and Roger posted over 5,000 comments in just two weeks. The good
part is that it keeps Morkie and Roger occupied elsewhere besides RRAP.

I listen to the Bible Beaters on rare occasion and really love it when EBM
gets so wound up that he blubbers and cries. What a whacko.

There are several hams I'd like to commemorate, but
the idea of putting their names under foot, where
teenagers spit their gum and people wipe excrement
off their shoes is appalling beyond words.
I don't know what California insane asylum inmate excreted
this revolting national fad of building "memorials" that people
walk all over, nor do I understand people who buy into
this abominable disgrace, but I won't spend a cent
to put the memory of my Elmer under someone's foot.

Making a couple of bucks off the relatives/friends of a few dead hams
who imagine themselves as "special" is disgusting, kinda like watching
your dad pick up a whore in skid row.

In the end, it is distracting from the individuals who really do stand
out as worthy of notice and recognition.

However, it does make one aware of how the once high standards of
America have fallen into disgrace along with corrupt politicians and
institutions of higher learning which are now "main-streaming" idiots ...

PONG!!!

I dont frequent the rec.radio news group kenny, or any of the others you have cross posted this to. Could be that you have me confused with someone else. That DOES seem to be your historical pattern, right?

But I have to admit that I am somewhat pleased by the fact that you take the time to do some research on me for your attempts at flaming. Just because you got your facts wrong, again, certainly does not detract from the honor I feel from your efforts.

As for those who are unwillingly joining us from the radio world (and alt.auto.mini (Sorry, that one just looses me, I didnt even know such a news group existed)), I am not the individual you believe this post to be coming from, this "marqueer" person. I know who you are talking about and I have plonked him, just as I have most of those who cant stick to the topics of the news group.

But here is a tidbit of something for you to enjoy. http://www.aboutkenpangborn.com/ Thats the individual who started this thread, you can spend several hours reading up on him at that web site if you already dont know about him from other news groups. He has worked quite hard to become known as one of the biggest internet kooks out there, and his antics are most entertaining.

wow.
I haven't seen his like in some time.
I've pretty much plonked all the nuisance parties in rec.radio.* into my
score filters (mark auto-read). it keeps the S/N-r to a minimum.

anyway, its better not to acknowledge them now (I have had to learn this
lesson rather the hard way).

so. enjoy the groups and try to ignore the nuisance factors.

Yep, me too, at first you think such idiots will "just go away."
However, these are rare and determined idiots. Indeed, I am convinced
they are quite dangerous. Probably the most vile, despicable, depraved,
pornographic and psychotic of the idiots you will brush against on the
net. They must be a psychiatrists dream--to study them ...

However, I have had to resort to elaborate "filter schemes"/scripts
which ignores them automatically; however, when someone like yourself
acknowledges one of their posts, the thread "floats" to the surface in
my news reader--I refrain from dropping my filters and "poking 'em with
a stick" for that very reason, so I don't "turn over a rock" in someone
elses news reader ... you live, you learn.

JS

Unfortuantly, probably good advice. However, also, parents don't let
your children intern for presidents, senators or congressmen! And, you
would be wise to watch them around state, county and city officials!

In fact, convicted sex offender Marqueer C. Morgan KB9RQZ does employ
ham radio frequencies to lure underaged boys to his filthy traielr so
he can molest them. Marqueer lives at

17366 River Rd. Chassell, MI 49916
or P.O. Box 212, same city, etc, the drop he uses to distribute
pornography.

I missed something.
I mention the no code license from time to time in school. As
far as I know, no student has opted to get their license, though to be
fair, I don't care about their private lives, so I don't have reason
to check.

Why do you insist to continue to post to groups that have nothing to do with
your twisted minds or really care about continued trashing of each other.
For someone claiming to have a IQ<--248 your claim of not knowing how to use
a spellchecker is amazing as you try very hard to misspell words!!

The Twelve Commandments of Flaming
Make things up about your opponent: It's important to make your lies sound true. Preface your argument with the word "clearly." Example: "Clearly, Fred Flooney is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of Freud. You took a psychology course in college. Clearly, you're qualified to psychoanalyze your opponent. Example: "Polly Purebread, by using the word 'zucchini' in her posting, shows she has a bad case of penis envy."

Cross-post your flames: Everybody on the 'Net is just waiting for the next literary masterpiece to leave your terminal! From the Apple II Roundtable to X-10 Powerhouse Roundtable, they're all holding their breath until your next flame. Therefore, post everywhere.

Conspiracies abound: If everybody's against you, the reason can't possibly be that you're a sh**head. There's obviously a conspiracy against you, and you will be doing the entire 'Net a favor by exposing it.

Lawsuit threats: This is the reverse of Rule #4 (sort of like the Yin & Yang of Flaming). Threatening a lawsuit is always considered to be in good form. Example: "By saying that I've posted to the wrong group, Bertha has libeled me, slandered me, and sodomized me. See you in court, Bertha."

Force them to document their claims: Even if Harry Hoinkus states outright that he likes tomato sauce on his pasta, you should demand documentation. If Newsweek hasn't written an article on Harry's pasta preferences, then Harry's obviously lying.

Use foreign phrases: French is good, but Latin is the lingua franca of Flaming. You should use the words "ad hominem" at least three times per article. Other favorite Latin phrases are "ad nauseum," "veni, vidi, vici," and "fettuccini alfredo."

Tell 'em how smart you are: Why use intelligent arguments to convince them you're smart when all you have to do is tell them? State that you're a member of Mensa, or Mega, or Dorks of America. Tell them the scores you received on every exam since high school. Example: "I got an 800 on my SATs, LSATs, GREs, MCATs, and I can also spell the word 'premeiotic'."

Accuse your opponent of censorship: It is your right as an American citizen to post whatever the hell you want to the 'Net (as guaranteed by the 37th Amendment, I think). Anybody who tries to limit your cross-posting or move a Flame War to email is either a communist, a fascist, or both.

Doubt their existence: You've never actually seen your opponent, have you? And since you're the center of the universe, you should have seen them by now, shouldn't you? Therefore, THEY DON'T EXIST! This is the beauty of Flamers' logic.

Lie, cheat, steal, leave the toilet seat up.

When in doubt, insult: If you forget the other 11 rules, remember this one. At some point during your wonderful career as a Flamer you will undoubtedly end up in a Flame War with somebody who is better than you. This person will expose your lies, tear apart your arguments, and make you look generally like a bozo. At this point, there's only one thing to do . . . INSULT THE DIRTBAG! Example: "Oh yeah? Well, your mother does strange things with vegetables."

Make things up about your opponent: It's important to make your lies
sound true. Preface your argument with the word "clearly." Example:
"Clearly, Fred Flooney is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of

Don't try to analyze Mork's behavior. He has no explaination or
viable reasons for his actions, except what he makes up in that empty
void between his ears. Apparently, Mork thinks it is perfectly ok to
disrupt the NGs with his flooding and violate everybody else's right
to use the group as intended.

Warning: Mark C. Morgan, kb9rqz, is a general nuisance and NG flooder.
Please make it a point not to work this creep on the air. He is a poor
example of a ham and is not worthy of a contact with any real hams.

Kane wrote > Then you've met krp already.

You just don't get it do you Kane?

The Twelve Commandments of Flaming
Make things up about your opponent: It's important to make your lies sound true. Preface your argument with the word "clearly." Example: "Clearly, Fred Flooney is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of Freud. You took a psychology course in college. Clearly, you're qualified to psychoanalyze your opponent. Example: "Polly Purebread, by
using the word 'zucchini' in her posting, shows she has a bad case of penis envy."

Cross-post your flames: Everybody on the 'Net is just waiting for the next literary masterpiece to leave your terminal! From the Apple II Roundtable to X-10 Powerhouse Roundtable, they're all holding their breath until your next flame. Therefore, post everywhere.

Conspiracies abound: If everybody's against you, the reason can't possibly be that you're a sh**head. There's obviously a conspiracy against you, and you will be doing the entire 'Net a favor by exposing it.

Lawsuit threats: This is the reverse of Rule #4 (sort of like the Yin &
Yang of Flaming). Threatening a lawsuit is always considered to be in good form. Example: "By saying that I've posted to the wrong group, Bertha has libeled me, slandered me, and sodomized me. See you in court,
Bertha."

Force them to document their claims: Even if Harry Hoinkus states outright that he likes tomato sauce on his pasta, you should demand documentation. If Newsweek hasn't written an article on Harry's pasta preferences, then Harry's obviously lying.

Use foreign phrases: French is good, but Latin is the lingua franca of
Flaming. You should use the words "ad hominem" at least three times per
article. Other favorite Latin phrases are "ad nauseum," "veni, vidi, vici," and "fettuccini alfredo."

Tell 'em how smart you are: Why use intelligent arguments to convince them you're smart when all you have to do is tell them? State that you're a member of Mensa, or Mega, or Dorks of America. Tell them the scores you received on every exam since high school. Example: "I got an 800 on my SATs, LSATs, GREs, MCATs, and I can also spell the word 'premeiotic'."

Accuse your opponent of censorship: It is your right as an American citizen to post whatever the hell you want to the 'Net (as guaranteed by the 37th Amendment, I think). Anybody who tries to limit your cross-posting or move a Flame War to email is either a communist, a fascist, or both.

Doubt their existence: You've never actually seen your opponent, have you? And since you're the center of the universe, you should have seen them by now, shouldn't you? Therefore, THEY DON'T EXIST! This is the beauty of Flamers' logic.

Lie, cheat, steal, leave the toilet seat up.

When in doubt, insult: If you forget the other 11 rules, remember this one. At some point during your wonderful career as a Flamer you will undoubtedly end up in a Flame War with somebody who is better than you. This person will expose your lies, tear apart your arguments, and make you look generally like a bozo. At this point, there's only one thing to do . . . INSULT THE DIRTBAG! Example: "Oh yeah? Well, your mother does strange things with vegetables."

Sure I do. You and krp are birds of a feather. A couple of sick shits
here spreading your filth and illness in hopes of either finding
others like you, or infecting others with your garbage.

Wont' work.

The only reason you can get away with it at all is that normal decent
socially responsible humans tend to put up with you stead of using the
Arab solution.

Upgrades have NOT included a renewal for a very long time now. The only
thing that resets the renewal date is if a person gets a vanity call sign.

Threatening without follow through is never good form. Thankfully internet harassment using people's real names, especially when those people have done nothing to the stalker will soon become a thing of the past. I'm currently watching over the shoulder of a firm doing this, pro-bono, from a journalistic point of view.

So far it amazes me how not only will the stalker be charged, but if they're using a company computer.... we're talking serious money awards and you can guess who will get the most of that? Not the stalkee's.

Bascially if you're going to attack someone, make is someone that is attacking you and keep the sexual connotations out of it. If you are not intelligent enough not to do that, I suggest finding a new hobby.

The Twelve Commandments of Flaming
Make things up about your opponent: It's important to make your lies sound true. Preface your argument with the word "clearly." Example: "Clearly, Fred Flooney is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of Freud. You took a psychology course in college. Clearly, you're qualified to psychoanalyze your opponent. Example: "Polly Purebread, by using the word 'zucchini' in her posting, shows she has a bad case of penis envy."

Cross-post your flames: Everybody on the 'Net is just waiting for the next literary masterpiece to leave your terminal! From the Apple II Roundtable to X-10 Powerhouse Roundtable, they're all holding their breath until your next flame. Therefore, post everywhere.

Conspiracies abound: If everybody's against you, the reason can't possibly be that you're a sh**head. There's obviously a conspiracy against you, and you will be doing the entire 'Net a favor by exposing it.

Lawsuit threats: This is the reverse of Rule #4 (sort of like the Yin & Yang of Flaming). Threatening a lawsuit is always considered to be in good form. Example: "By saying that I've posted to the wrong group, Bertha has libeled me, slandered me, and sodomized me. See you in court, Bertha."

Force them to document their claims: Even if Harry Hoinkus states outright that he likes tomato sauce on his pasta, you should demand documentation. If Newsweek hasn't written an article on Harry's pasta preferences, then Harry's obviously lying.

Use foreign phrases: French is good, but Latin is the lingua franca of Flaming. You should use the words "ad hominem" at least three times per article. Other favorite Latin phrases are "ad nauseum," "veni, vidi, vici," and "fettuccini alfredo."

Tell 'em how smart you are: Why use intelligent arguments to convince them you're smart when all you have to do is tell them? State that you're a member of Mensa, or Mega, or Dorks of America. Tell them the scores you received on every exam since high school. Example: "I got an 800 on my SATs, LSATs, GREs, MCATs, and I can also spell the word 'premeiotic'."

Accuse your opponent of censorship: It is your right as an American citizen to post whatever the hell you want to the 'Net (as guaranteed by

the 37th Amendment, I think). Anybody who tries to limit your cross-posting or move a Flame War to email is either a communist, a fascist, or both.

Doubt their existence: You've never actually seen your opponent, have you? And since you're the center of the universe, you should have seen them by now, shouldn't you? Therefore, THEY DON'T EXIST! This is the beauty of Flamers' logic.

Lie, cheat, steal, leave the toilet seat up.

When in doubt, insult: If you forget the other 11 rules, remember this one. At some point during your wonderful career as a Flamer you will undoubtedly end up in a Flame War with somebody who is better than you. This person will expose your lies, tear apart your arguments, and make you look generally like a bozo. At this point, there's only one thing to do . . . INSULT THE DIRTBAG! Example: "Oh yeah? Well, your mother does strange things with vegetables."

How sweet it is, the truth!

Warning: Mark C. Morgan, kb9rqz, is a general nuisance and amateur NG
flooder.
All amateurs should make it a point not to work this creep on the air.
He is a poor
example of a ham and is not worthy of a contact with any real hams.

The Fourteen Commandments of Flaming

Make things up about your opponent: It's important to make your lies sound true. Preface your argument with the word "clearly." Example: "Clearly, woger is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of Freud. You took a psychology course in college. Clearly, you're qualified to psychoanalyze your opponent. Example: "Woger, by using the word "fruit" in his posting, shows he has a bad case of Mark envy.

Cross-post your flames: Everybody on the 'Net is just waiting for the next literary masterpiece to leave your terminal! From the Apple II Roundtable to X-10 Powerhouse Roundtable, they're all holding their breath until your next flame. Therefore, post everywhere.

Conspiracies abound: If everybody's against you, the reason can't possibly be that you're a flooder, wacko, and an asshole to boot. There's obviously a conspiracy
against you, and you will be doing the entire 'Net a favor by exposing it.

Lawsuit threats: This is the reverse of Rule #4 (sort of like the Yin &
Yang of Flaming). Threatening a lawsuit is always considered to be in good form. Example: "By saying that I am a NG flooder,
woger has libeled me, slandered me, stolen from me, and libeled my wife. See you in court,
woger."

Force them to document their claims: Even if woger states outright that he likes tomato sauce on his pasta, you should demand documentation. If Newsweek hasn't written an article on woger's pasta preferences, then woger is obviously lying.

Use foreign phrases: French is good, but Latin is the lingua franca of
Flaming. You should use the words "ad hominem" at least three times per
article. Other favorite Latin phrases are "ad nauseum," "veni, vidi, vici," and "fettuccini alfredo."

Tell 'em how smart you are: Why use intelligent arguments to convince them you're smart when all you have to do is tell them? State that you're a member of Mensa, or Mega, or a ham club. Tell them the

scores you received on every exam since high school. Example: "I got an
800 on my SATs, LSATs, GREs, MCATs, and I can also spell the word
'cognat."

Accuse your opponent of censorship: It is your right as an American
citizen to post whatever the hell you want to the 'Net (as guaranteed by
the 37th Amendment, I think). Anybody who tries to limit your
cross-posting or move a Flame War to email is either a gay basher, or
homophobe, or both.

Doubt their existence: You've never actually seen your opponent, have
you? And since you're the center of the universe, you should have seen
them by now, shouldn't you? Therefore, THEY DON'T EXIST! This is the
beauty of Flamers' logic.

Lie, cheat, steal, leave the toilet seat up.

When in doubt, insult: If you forget the other 11 rules, remember this
one. At some point during your wonderful career as a Flamer you will
undoubtedly end up in a Flame War with somebody who is better than you.
This person will expose your lies, tear apart your arguments, and make
you look generally like a bozo. At this point, there's only one thing to
do . . . INSULT THE DIRTBAG! Example: "Oh yeah? Well, your mother does
strange things with vegetables."

As a last resort, flood the NG with inaine posts, and then rationalize
that it is in your own defense against libel.

Post all messages through teranews, that will show them.

Bwahahahha!

Warning: Mark C. Morgan, kb9rqz, is a general nuisance and amateur NG
flooder. All amateurs should make it a point not to work this creep on
the air.
He is a poor example of a ham and is not worthy of a contact with any

Ham radio operators are all very boring old men who
drone on and on about their stupid radios. They ought
to look in a mirror every now and then. Most of em wear
clothes that look like they came from the Goodwill
Store donations bin, they smell, they almost all smoke
stinky tobacco, are usually racist towards blacks and
jews, and finally they drive ugly old cars with antennas
all over them. Heck yes I am going to keep my kids
away from these f--king looosers! I wouldn't be suprised
if some of them are sexual perverts too.

: capabilities to disrupt or indulge in sophistry, or to exploit a medium
: that resembles speech without the non-verbal and intonation cues, etc
: as a means of denigrating others, I question your use, albeit in quotes,
: of the word "remote". I'm not saying it isn't remote and therefore it is
: great, I'm just saying that I don't think we can easily classify it as
: remote, moderate, or great.

I think you can build up quite a good picture based on what someone says
and on their posting patterns. I don't think "The Internet" (capitals, no
less) is as opaque a medium as you make it out to be.

: It is not easy to determine the validity of all information on The
: Internet without making use of extra supplementary information.

: We do have the problem, pointed out by someone else, of the possibly
: "too perfect" textbook characteristics of what is being posted.

I explained that one, but I don't mind explaining it again (you don't
mind having it explained again to you, do you now?). The reason my
"symptoms" are such a perfect fit to the textbook is because the people
causing the campaign "fitted me up" in such a way that what they did
would resemble the symptoms of schizophrenia. Hence TV, radio, other
media, people in the streets etc. By a fortunate coincidence (for them)
these mthods of harassment are the ones which offer easiest channels of
access (for them).

It's really quite neat. All it takes is for people to start believing
that the "symptoms" aren't symptoms but reality, though, and the house of
cards collapses in a heap. And there are _lots_ of people now who knoiw
full well what has gone on.

: If harrassment by email, etc, has happened by someone out of the country,
: can a complaint be made that results in arrest or whatever upon that
: person's entry into the country? An interesting point which Mike may be
: able to inform us about, as he's said he will be in the UK in a few weeks
: time.

Picture the scene at the airport;
"I arrest you for being Mike Corley and mailbombing people"

"But my name isn't Corley. Who he? Mailbombing isn't illegal is it? You'd
have to lock up a lot of people if sending annoying email was a crime"

"Er....."

: context-free parts of articles, conversations and things-on-the-TV and
: assume they are meant for you. Mike, this is called paranoia.

But that's the way real abuse works, too. People interject words and
phrases into what they say which they know will have meaning for the listener.

And sometimes, they make it obvious. The very first evening of my job in
Oxford, we went for a drink with the technical director, and a couple
of other employees. The TD said in an "as-if" aside to one of the others,
"Is this the bloke who's been on TV?" (he said it directly in front of
me, and obviously meant mke to hear him saying it). The other person
replied, "Yes, I think so".

I think the subtext of what the TD said was "Why are they bothering with
him? He's so insignificant, why would they possibly want to spend the
resources going after him and putting all that expensive technology in
his home, when there must be much better targets?". The Technical
Director was given to sometimes disrespecting people, you see, and in my
case he couldn't see the point of anyone expending money on harassing me.

"Unprecedented" hits the nail on the head. It _is_ unprecedented, but we
have only just reached the technical stage at which it is feasible, and
we know video-spying is done to other people (NB the Diana-Hewitt
episode) and is a routine tool of security agencies.

Perhaps what is unprecedented is not the technical side, but the social
manipulation of many people by a concealed element in what other
countries would be called the secret police. The most disturbing element
is the degree to which people allow themselves to be unquestioningly
manipulated by an evil element within the state.

Odd. If you do a Google search on that phrase, you will find that it has been used by authors such as Edgar Allen Poe and Ashbel Green ("If you would not have your posterity, and countrymen of future ages, generally destitute of the inestimable blessings of a free and wise representative ...").

Apparently, Roger has intrinsic literary skills which heretofore have gone unrecognized by everyone other than the illuminati at NIM Busters. There, he has been garnering awards at the start of each year, such as the coveted "Cocksucker of the Year" award for 2007.

We should take Roger more seriously. I for one am going to reread his posts on negative SWR in an effort to understand why I ignorantly dismissed his calculations at the time he posted them. It was probably a big mistake on my part, and one which should be corrected.

: capabilities to disrupt or indulge in sophistry, or to exploit a medium
: that resembles speech without the non-verbal and intonation cues, etc
: as a means of denigrating others, I question your use, albeit in quotes,
: of the word "remote". I'm not saying it isn't remote and therefore it is
: great, I'm just saying that I don't think we can easily classify it as
: remote, moderate, or great.

I think you can build up quite a good picture based on what someone says
and on their posting patterns. I don't think "The Internet" (capitals, no
less) is as opaque a medium as you make it out to be.

: It is not easy to determine the validity of all information on The
: Internet without making use of extra supplementary information.

: We do have the problem, pointed out by someone else, of the possibly
: "too perfect" textbook characteristics of what is being posted.

I explained that one, but I don't mind explaining it again (you don't
mind having it explained again to you, do you now?). The reason my
"symptoms" are such a perfect fit to the textbook is because the people
causing the campaign "fitted me up" in such a way that what they did
would resemble the symptoms of schizophrenia. Hence TV, radio, other
media, people in the streets etc. By a fortunate coincidence (for them)
these mthods of harassment are the ones which offer easiest channels of
access (for them).

It's really quite neat. All it takes is for people to start believing
that the "symptoms" aren't symptoms but reality, though, and the house of
cards collapses in a heap. And there are _lots_ of people now who knoiw
full well what has gone on.

: If harrassment by email, etc, has happened by someone out of the country,
: can a complaint be made that results in arrest or whatever upon that
: person's entry into the country? An interesting point which Mike may be
: able to inform us about, as he's said he will be in the UK in a few weeks
: time.

Picture the scene at the airport;
"I arrest you for being Mike Corley and mailbombing people"

"But my name isn't Corley. Who he? Mailbombing isn't illegal is it? You'd
have to lock up a lot of people if sending annoying email was a crime"

"Er....."
